Dear Friends:

As co-chairs of the Congressional Travel and Tourism Caucus, we join in welcoming you to Monterey for the 2009 National Tour Association Tour Operator Spring Meet.

The National Tour Association knows better than anyone of the economic benefits provided by the travel and tourism industry. The Congressional Travel and Tourism Caucus works hard to promote the essential role played by the industry in our local, state and national economies. This vital industry can be found in every corner of our nation and is truly a bi-partisan issue that everyone can support.

We would like to offer a thought that we hope you carry away with you. When you arrive home, please contact your Member of Congress and encourage them to take an important first step in becoming a supporter of the travel and tourism industry by joining the Congressional Travel and Tourism Caucus.

We wish you great success with your conference and encourage you to take in all of the sights and sounds that Monterey has to offer.

Sincerely,

A handwritten signature in blue ink that reads "Sam Farr".
