

*Message from the Mayor of Monterey
to the Participants of the
2009 National Tour Association Spring Meet*

Welcome to the City of Monterey!

On behalf of the City Council and the citizens of Monterey, please accept our warmest welcome to the 2009 National Tour Association Spring Meet in our beautiful and historic City of Monterey.

Visitors from all over the world have come to appreciate our historical sites, natural wonders and mild climate. Our land and Monterey Bay are the foundations upon which Monterey's story is written. Monterey's rich history includes the establishment of the Royal Presidio Chapel by Father Junipero Serra in 1770 and Colton Hall where California's constitution was signed in 1849. Monterey is proud to be the birthplace of California.

We know many of you will be taking advantage of the Pre and Post conference tours showcasing some of what makes Monterey, California so special. We also encourage you to enjoy the other wonderful sightseeing opportunities during the conference dates and even hope some of you choose to stay longer to really enjoy Monterey County in all its splendor.

Again, we appreciate the National Tour Association having selected us to host Spring Meet in Monterey and we hope to see you and your clients return many times in the future.

With warm regards,

Chuck Della Sala
