"If I had to pick only one show a year to develop product and shop suppliers, it would be NTA's Convention. With such a diverse representation of Canadian, U.S. and international suppliers, DMOs and tour operators, I can get so much of my work done in one place."

"NTA is where I get new business. Unlike other shows, I meet people at NTA I wouldn't meet anywhere else."

"NTA allows me to connect with my colleagues in a dynamic and smaller world where our role finds us sitting on both sides of the table as buyers and sellers. The bottom line—NTA has improved my business."

"Just one new operator I met at Convention last year brought St. Louis 20 new bookings. That new business more than paid for my membership in NTA."
